GENERAL WEEKEND INFORMATION

Registration: Registration will be in the new trading post all weekend. Event HQ's will be in the Director's cabin. Vehicles entering camp **MUST STOP** in the parade field and check in before entering the camping area. You will be advised of site availability and allowed to enter the camping area to select your site or sites depending on the number of people with your group. Once you've decided on a site PLEASE have a unit leader return to the trading post to let us know where you are and complete the unit registration. Registrations will be accepted by packs only. No individual or separate den registrations will be accepted. Please note the following:

- **All Webelos Scouts, leaders, parents, siblings and other's attending this activity MUST PAY and be listed on the registration form. There are NO exceptions to this rule.**
- Make checks payable to the Iroquois Trail Council, BSA and indicate Activity # 213 Registration on the memo line.
- Patches and unit participation streamers will not be available until after the event. Tentatively at the November Roundtables.
- Staff will be using **FRS** radios this weekend. The staff channel will be announced at leaders meeting Friday evening.

For Emergency Use Only: The number at camp is (585) 567-8626. Camp phones are not for general use. Important outside calls may be allowed if you are using a valid personal calling card! Please note that cell phone coverage at camp is not guaranteed.

Do's and Don'ts of Webelos Woods:

- Things the pack should bring are: pack flags or a sign identifying your unit and community, food for attendees (If not supplied individually), trash bags and firewood.
- Things Scouts and parents should bring (as a minimum) are: A big smile and positive attitude, Rain Gear! (Sorry, there are no guarantees on weather conditions), tent, sleeping bags, air mattress/sleeping pad, water bottles & clothing appropriate to weather, flash light (with extra batteries), pocket knife (MANDATORY - Webelos Scouts Must have a Whittlin' Chip to carry), the Webelos Handbook and food, if not provided by pack.. 2nd year Webelos should bring a compass (if you have one) and a 3 ft. piece of rope (cotton or nylon clothes line works great) for knot tying in the morning session.
- **Things you should NOT bring are:** Footballs, Archery Equipment, Firearms, air rifles, electronic/video games, tv's, radios or paint ball equipment. The use and possession of **Alcoholic beverages, tobacco products & illegal substances** is prohibited on all Scout reservations. Individuals who violate this prohibition may be asked to leave immediately, no fees will be refunded.

Water and Facilities: The camp has clean, lighted facilities available within the main camp. Portable facilities will be located in the camping area. Please! Help us keep them clean! Fresh water will be available on the pool house porch. DO NOT use this area to wash dishes and please remember to dispose of all waste water properly. The Wiscoy Creek located adjacent to the camping area is a protected trout stream.

Camping: All camp sites are assigned on a first come, first served basis. No advance reservations can be accepted. To stake a claim to "your site", you should have someone there when registration opens at 4:30 p.m. All vehicles must park in the center of the campground. No vehicles may be parked within a campsite. Depending on the weather conditions that weekend it may be necessary to restrict the location of certain types of camping equipment (iron tepees, etc.). We will advise you of any problems upon your arrive Friday evening. Please note that no Cub Scout packs will be allowed to camp on "the hill". These sites are being used by our staff troops.

Trading Post: The Trading Post will be open Saturday. Times will be announced at the leaders meeting on Friday evening and will also be posted on the building. It will carry the usual line of Scouting related items.

Campfires: All campfires must be contained within a pit or fire ring. If you dig a pit, keep the dirt to one side so you can refill the hole before you leave. Have two #10 cans full of water close to the fire pit at all times. You should bring firewood with you. None will be supplied by the camp. Your Scouts may scavenge the adjacent woods for branches, logs, etc. that are lying on the ground. No cutting of standing trees, dead or alive, on camp property is allowed. Before you leave please stack all unburned wood next to the filled fire pit. It will be collected for later use in the camp facilities.

Parking: No vehicles will be allowed to move within the main camp on Saturday. All Saturday arrivals (including Day Campers) will have to park in the grassy area leading up to the old rifle/archery range. You will have to carry all supplies into camp from there. Consideration should be given as to how you will move your supplies. **The camp is closed to all vehicles** to insure the safety of our campers. **There will be No Parking allowed in the area adjacent to the camp bridge all weekend.** This area will be used for program on Saturday.

Dining Hall: The dining hall will be off limits to all campers and non-staff members at the conclusion of the leaders meeting on Friday night. The traditional bottomless coffee pot will be kept in the Trading Post until noon. Please note that this service is for Adults Only! Scouts and siblings present should carry water or other refreshments with them. We strongly encourage all adults to bring their own coffee cups as it is difficult and expensive to keep an unlimited supply available for your use. Please help us keep the cost of this event reasonably priced for our

future Webelos Scouts. Thank You.
